

The Sint Nicolaashoeve

The Sint Nicolaashoeve is a stately old farmhouse, built in 1858, with a rich history behind it. More than a hundred years ago the house - next to the farm - was a rest home for old or infirm farmhands, where they could spend the evening of their lives and where they were well looked after when sick. However, they had to observe the standards of the time. For instance, they were expected to obey the 'father' and the 'mother', of the farmhouse, wear similar clothing and attend church every day.

Now you can spend the night where formerly the farmhands slept. The space has recently been transformed into luxury apartments.

4 luxury apartments.

In the attic of the Sint Nicolaashoeve, accessible by an easy stairway, there are 2 roomy 4-person apartments.

In the summerhouse, next to the main building are also a 4-persons and a 2-persons apartment.

Each apartment comprises:

- Living room and open kitchen containing cooking facilities, microwave, fridge and dishwasher.
- The 4-persons apartments have two bedrooms and the 2-persons apartment has 1 bedroom
- Each bedroom is ample, with 2 single beds measuring 2m 10 cm (7ft 4in) in length.
- Large and immaculate shower room with toilet.

When you leave your apartment, you pass into a large recreation room, measuring almost 100 square metres, with a table tennis table and a football game among other things, an ideal spot for the children.

The Sint Nicolaashoeve is situated on the edge of the village of Nieuwveen.

Supermarket, baker, snack bar and other friendly shops can be found 300 metres away.

Restaurants are 2 km away.

You can ramble or cycle or sail on the Langeraarse or Nieuwkoopse lakes (3 and 6 km away, respectively).

How about a day out in Amsterdam? Only 25 km away. Or a trip to the beach? Also 25 km away.

The bus stop is 300 metres from the house.
Of course, you can simply enjoy the peace, quiet and open spaces on the farm.
With a bit of luck, you may see a calf being born.
You can also watch the cows being milked; or maybe you'd like to try your hand at it yourself?

We take great pleasure in inviting you for a weekend, a mid-week stay or a week or longer, in the beautiful and stately Sint Nicolaashoeve.

Unfortunately we cannot allow dogs at the Sint Nicolaashoeve.
