

Bio Logies in Lelystad

We are Fokke & Kerstin Jonkman, with our daughters Nadine en Lian we live just outside city limits north of Lelystad in an area from around 300 Hectares where you find only organic farms.

At our organic farm at the Bronsweg (street name) we grow about 40 Hectares of vegetables – Carrots, Potatoes, Leeks, Onions and Squash.

Guests can have a look how we grow them. Would you like to taste them fresh from the field – every Thursday and Saturday direct selling from the farm called “De Stek” (at 800 metres). This bio-dynamic farm has a great variety of crops. For a number of crops it is: pick your own.

Guests have a garden from about 1200 m² with several fruit trees and bushes. They also have access to our royal private garden with terrace, sauna and garden shower (sauna use € 15 incl. towels). For the children there are a swing, a seesaw and a sandbox.

At the Bronsweg you can find:

- a cafe and teahouse “Wind in de Wilgen” a lunch is also possible. (www.windindewilgen.nl) (www.sophora.nl)
