

If you are looking for a break in a quiet, rural area, our Tuinhuis (garden house) is just what you need. At night you may hear the hooting of the stone owl or the mooing of the cows. The pleasant wooden garden house has a spacious living room, open kitchen, toilet/shower and a separate bedroom with 2 single beds. In the living room there is a sofa bed that can be converted into a comfortable double bed. Angerlo is a small rural village and a good starting point for beautiful hiking and biking trips. It is 3 km from Doesburg, a very beautiful medieval little town with restaurants, outdoor cafes and nice shops. The Rhederlaag, a recreational area for swimming, fishing and sailing, is only 4 km away. We are close to the German border, between Arnhem, Zutphen and Doetinchem. Utrecht is merely 1 hour by car, and Amsterdam just 1.5 hour. Our Tuinhuis gives you lots of privacy and in summer you can open the French windows and sit on your own terrace. Weather permitting, we serve breakfast under the chestnut tree. Most of our guests come for Bed & Breakfast, but guests wanting to stay for a longer period are also welcome.
